

## Electricity Facts Label

### Nueces Electric Cooperative Retail Division (NEC RD) Small Commercial Electricity (Over 9 kW, under 35 kW) (6-11-08)

For Service in the American Electric Power -Texas North (AEP North) Service Area

#### Electricity Price (per kWh)

Average Monthly Use	1500 kWh	2500 kWh	3500 kWh
Nueces Electric Cooperative Retail Division	\$0.193	\$0.165	\$0.157

The prices above are an example and are calculated averages using fixed and per unit (kWh) costs for both delivery service and energy. Your average price for electric service will vary according to your actual monthly use, charges from the local delivery company, and fuel prices. See the Terms of Service for other information pertaining to this plan.

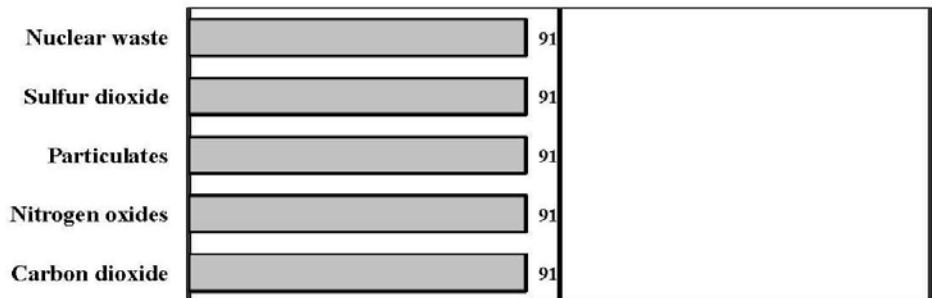

#### Contract

Nueces Electric Cooperative Retail Division's (NEC RD) standard commercial offer is a month-to-month service term with a variable rate. Customers with usage larger than represented on this label should contact NEC RD for a custom quote. Consumers of NEC RD become members of Nueces Electric Co-op. A membership fee of \$15 will be charged on your first bill. The membership fee is refundable upon termination of service with NEC. See Terms of Service for a full description of fees, policies, and other terms.

#### Sources of power generation

	<i>This product</i>	<i>Texas (for comparison)</i>
Coal and lignite	36%	38.00%
